

CALL FOR PAPERS • IEEE SIGNAL PROCESSING SOCIETY

24th

IEEE Statistical Signal Processing Workshop

ANNECY, FRANCE • IMPERIAL CONGRESS CENTER

28 JUNE → 1 JULY 2027

IEEE SSP is one of the foremost international conferences on statistical signal processing and its applications. The **24th edition** comes to **Annecy**, a lakeside town in the French Alps, with world-class plenary speakers and regular and special sessions covering the latest research and innovation in the field.

SCOPE

Conference Topics

- × Detection & estimation theory
- × Machine learning & pattern recognition
- × Data-driven methods
- × Bayesian techniques
- × Sparsity & compressive sensing
- × Matrix & tensor methods
- × High-dimensional inference
- × Graph signal processing
- × Optimization techniques
- × Adaptive & distributed SP
- × Sampling & reconstruction
- × Array, radar & sonar
- × Multi-target tracking
- × Information forensics & security
- × Audio & acoustic signal processing
- × Speech & language processing
- × Multimodal signal processing
- × Image & video processing
- × Sensor management
- × IoT & sensor networks
- × Signal processing for communications & networking
- × Biomedical signal & image processing
- × Bioinformatics & genomics
- × Geoscience & seismology
- × Financial signal processing
- × Astrophysics
- × Quantum signal processing
- × Smart grids & industry
- × Other emerging topics

SUBMISSION GUIDELINES

We invite prospective authors to submit full-length papers of four pages of technical content, with a fifth page of references only. Please refer to the conference website for the paper template and formatting guidelines. Accepted papers will be included in IEEE Xplore®. **Best student paper awards** will be given. Procedures to submit proposals for special sessions and tutorials can be found on the website.

DEADLINES

Special session proposals	Dec 07, 2026
Tutorial proposals	Dec 07, 2026
Special Sessions/Tutorial acceptance notification	Dec 14, 2026
Full paper submission	Feb 07, 2027
Notification of acceptance	Apr 14, 2027
Camera-ready submission	Apr 30, 2027
Early registration	Apr 30, 2027
